New Closing to Schedule

Joe Homeowner 123 Main St Atlanta GA 30345

Crisp is an automated Closing Coordinator assisting the buyers and agent with the closing process. We're writing just to let you know that a contract has been accepted and a closing needs to be set up. Attached please find a copy of the binding contract for your records. The agent will be in touch shortly with any additional addenda or paperwork that may be needed on your end but we just wanted to make everyone aware of the contract status and share contact information for each party.
